STEWARDSHIP AT ST. DAVID'S

We say that we are a "Church on a Mission to Know God in Jesus Christ, and to Make Christ Known to Others." We are all called to be good stewards of the gifts that God gives in supporting this mission. At St. David's, we often speak of these gifts in terms

of Time, Talent, and Treasure. In so many of the Gospel passages we hear each Sunday, Christ 'makes himself known to others' in service as a teacher, bringing the good news of God's love and purpose to the people he encountered. The people called Him 'Rabbi' (teacher), and St. David's provides and supports many ways we can give service as 'teachers' in our parish and community. Consider volunteering with Sunday School, Youth Group, or St. David's Afterschool Program as a way to know and serve young people in our parish and community. Attend one of the several Bible Study groups that meet each week or the Sunday adult education offerings and share your questions and insights with others seeking a deeper knowledge of God. Join the Newcomers or Greeters ministries to show new parishioners and visitors St. David's warmth and ways of community. All that is needed is a little of your time and talent to make Christ known.

St. David's Episcopal Church has 1,090 households and the Stewardship goal for 2020 is \$2,200,000. So far, we have received **514** pledges totaling **\$1,968,810.96**. To pledge, please fill out your pledge card and send it to St. David's (we have extra pledge cards in the back of the Narthex), or fill out the form online.

Beyond the Book

January 22nd | 7:00pm | Center for Spiritual Growth

All women of St. David's are invited to join the Rev. Emily Zimbrick-Rogers for support, spiritual discussion, prayer and fellowship in this once-a-month reading and discussion group. The first book Beyond the Book will read is Henri Nouwen's *Life of the Beloved*. The book is available in the St. David's Gift Shop and it is not necessary to read the book before the first meeting. Come meet new women, grow in your faith, and support one another in learning how to hear God's voice saying, "You are my beloved child."

C.S. Lewis and the Fundamentals of Faith Small Group

1st Tuesdays | 6:30pm | Conference Room

C.S. Lewis is one of most well-known and prolific Christian writers of the 20th century. He considered himself a hardcore atheist and ended up "the most reluctant convert in all England." His writings have impacted generations of Christians as they ponder how to make faith understandable to themselves and others. This group will read some of Lewis' famous works and discuss their application in the modern era. The first meeting, Feb. 4, will cover the first part of Mere Christianity (book 1, pages 1-30). Email Sloan Walker

(sloanwalker@msn.com) for questions and further reading assignments.
