STEWARDSHIP AT ST. DAVID'S

St. David's is a "Church on a Mission to Know God in Jesus Christ, and to Make Christ Known to Others." Jesus made himself known by healing the sick and feeding the hungry, and St. David's makes Him known that way too. Through our financial support of St. David's, our facilities serve daily as a place where community groups provide healing and support for those struggling with grief, addiction, loneliness. We also have many ministries where our members support other members in need. Just look at the Pastoral Care page of our website and you will see St David's mission in action. Jesus fed thousands and St. David's gives each of us the opportunity to do the same. Whether it is making soup or casseroles for St. John's Soup Kitchen, serving breakfast at St. Augustine's, bringing items for St. Mary's Food Pantry, or packing 40,000 meals in one night in St. David's Hall, every week brings the chance to serve Christ in serving others through St. David's, mixing a little of our time, our talent, and our treasure to show Christ's love and feed His sheep.

St. David's Episcopal Church has 1,090 households and the Stewardship goal for 2020 is \$2,200,000. So far, we have received **520** pledges totaling **\$2,002,254.84**. To pledge, please fill out your pledge card and send it to St. David's (we have extra pledge cards in the back of the Narthex), or fill out the form online.

Adult Ed: Mindfulness and Faith: Practices that Usher Us into Grace February 2nd & 9th | 10:30am | Harrison Room

Laurie Robinson is an integrative nutrition health coach and is currently completing a program from the Penn Program for Mindfulness. She will share a two-week series on how mindfulness and mindfulness techniques helps our minds learn new ways to reduce stress, practice stillness and being rather than doing, and connect with God. She and others have learned how mindfulness opens us up to more of God's grace and are able to share that grace with ourselves and others.

C.S. Lewis and the Fundamentals of Faith Small Group

1st Tuesdays | 6:30pm | Conference Room

C.S. Lewis is one of most well-known and prolific Christian writers of the 20th century. He considered himself a hardcore atheist and ended up "the most reluctant convert in all England." His writings have impacted generations of Christians as they ponder how to make faith understandable to themselves and others. This group will read some of Lewis' famous works and discuss their application in the modern era. The first meeting, Feb. 4, will cover the first part of Mere Christianity (book 1, pages 1-30). Email Sloan Walker (sloanwalker@msn.com) for questions and further reading assignments.

Giving Statements Sent via Email
 All parishioners who gave to St. David's in 2019 should have received their statement via email. If the email has not been received, or if anyone would rather have a printed copy, please contact Jo-Ann Funkhouser, Finance Manager, at jfunkhouser@stdavidschurch.org.
