

Participation Pledge

Youth who desire to participate in the St. David's 2021-2022 confirmation process need to register by completing this form by September 1, 2021. We are honored to walk with you during a key moment in your spiritual journey. Participants in the confirmation process must already be baptized; for information on getting baptized, contact Heather Sill, our receptionist, at receptionist@stdavidschurch.org. This year's confirmation class is for both eighth and ninth graders. The 2021-2022 confirmation process will mostly virtual. Youth who participate must have at least one parent/guardian attend every session with them. The process is designed for families (youth with at least one parent). Participants must attend each of the 5 sessions in order to be presented for confirmation.

Each session is offered on Sunday and Tuesday evenings at 7:00 PM. The Tuesday evening is a repeat of the Sunday, so families may choose either option.

For additional information, please email The Rev. Elizabeth Colton at colton@stdavidschurch.org or Emily Given at egiven@stdavidschurch.org.

I pledge to participate in the St. David's Confirmation process during the 2021-2022 school year in its entirety by attending all 5 sessions. I pledge to bring an open mind and heart to all sessions, and to treat all those involved in the program with respect. I understand that at the end of the program, it is the participant/confirmand's decision to be or not be confirmed. This is not the parents'/guardians' decision.
